

**State of Louisiana**  
State Licensing Board for Contractors

**Jeff Landry**  
Governor

**Brad Hassert**  
Executive Director

**To: Louisiana Contractors**

**From: LSLBC**

**Date: August 18, 2025**

**Subject: Residential Roofing License**

The Residential Roofing exam will be offered Monday through Friday at the Baton Rouge office of LSLBC beginning **Wednesday, August 20, 2025**. Scheduling for this exam will begin Tuesday, August 19, 2025. Remote testing will be offered soon.

To schedule this exam, contact Ms. Shannon Temple at [stemple@lslbc.gov](mailto:stemple@lslbc.gov).

Scheduling through the contractor portal will be available as soon as possible.

Application for the Residential Roofing License may be made here:

<https://lslbc.louisiana.gov/lslbc-online-application/>

If you hold the following classifications, you will be exempt from the Residential Roofing examination: Residential Construction; Building Construction; and Roofing, Sheet Metal and Siding.

Note: If you have a passing score from the now obsolete Residential Roofing Specialty classification, you are exempt from the current exam.

Exam reference materials and a description of the classification are available at:
